☆ **2008 HONDA CBR600RR BOBBER
CUSTOM build - \$4500 (south austin)** 

image 1 of 6

This bike was laid down at low speed and turned into a bobber instead of repairing the few fairings "\$350 worth of parts." It has been completely gone through and only has 100 miles since build. I have a 10 month old baby so haven't ridden the bike in over a year. It has a custom exhaust, custom lights, custom one off built sub frame, lipo battery, power commander, asv levers, and only 8k miles. will trade but NO junk or bs, my bike is very nice and wont disappoint. CLEAN TX TITLE
