**Change is Possible**

**2 Peter 1:3-9**

**Dave Lomas**

**2 Peter 1:3-9**

His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness.

**2 Cor 5:17**

If anyone is in Christ, the new creation has come: The old has gone, the new is here!

**Mark 8:34-35**

Whoever wants to be my disciple must deny themselves and take up their cross and follow me. For whoever wants to save their life will lose it, but whoever loses their life for me and for the gospel will save it.

**Galations 2:20**

I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me.

It's real but not realized.

It's real (God says it is, it's who you are) but not realized (by you and others, fully, yet).

## **2 Peter 1:3-9**

His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness. Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature, having escaped the corruption in the world caused by evil desires. For this very reason, make every effort to add to your faith, goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, mutual affection; and to mutual affection, love. For if you possess these qualities in increasing measure, they will keep you from being ineffective and unproductive in your knowledge of our Lord Jesus Christ. But whoever does not have them is nearsighted and blind, forgetting that they have been cleansed from their past sins.

“The will is neither strong nor weak. Like a [car], it has only one task: to do what the driver (the mind, influenced by the body and the social realm) tells it to do. Therefore, change—or lack thereof—is not an issue of the will at all. Change happens when these other influencers are modified. The good news is that we have control over those other influencers. When new ideas, new

practices and new social settings are adopted, change happens.”
